Watch free Movie Kyon Ki (2005) from Mobile Phone, Computer and Smart TV. Download Kyon Ki Full Movie Kyon Ki Full Movie Review Kyon Ki is an awesome movie directed by Imtiaz Ali and that is a story of a college student who is struggling to make his way in life. After completing his education he joins a big corporation and begins a new life. He is suddenly thrust into a new situation in the company where he becomes a much sought-after guy and gets lots of female admirers. He is also having a tough time with his best friend who is enjoying his life and doesn't think about the problems that the student is facing in his life. He makes many mistakes that are life changing for him. Plot Summary: Kyon Ki is a love story based on friendship. The story starts when the protagonist loses his close friend in a train accident. He becomes depressed and after that he loses his job. He starts thinking of suicide when he meets an old college friend who encourages him to live. The friend reveals that he has his own problems, a wife who had an affair with a foreigner and a daughter who is about to leave the house. The student helps the friend solve his problems and now he realizes that if he succeeds in living, he could live a happy life. Kyon Ki Soundtrack: Story Full Soundtrack is a mix of light-hearted songs and emotional songs. The songs in the soundtrack are quite entertaining and they help the plot to move along smoothly. The lyrics are quite interesting and they give a meaning to the songs. The songs are mostly composed by Hans Raj Hans and the lyrics are written by the famous poet Raqs Media Collective. Kyon Ki Actors: The movie stars Imran Khan as the protagonist, Aditi Rao Hydari as the female lead and Seema Bhargava as the best friend. Apart from these, the movie also stars Pritish Nandy, Aruna Irani, Gaurav Duggal and Raza Murad. Kyon Ki Trailer: As the movie is based on a love story it has been made with beautiful visuals and amazing costumes. The movie has been well-shot and the locations are also beautiful. There are dance sequences in the movie and they are highly entertaining. The music and background score in the movie are good and they add to the drama of the movie. The comedy in the movie is quite good and some humorous scenes keep 82157476af
